Further information

Dear Hiring Manager,

I am a second year student of Westminster International University in Tashkent (WIUT), and confident User of HTML5, CSS3, Bootstrap 4, JQuery, JavaScript, SASS, Wordpress, BEM, Git. I have successfully completed and learnt those mentioned above with the help of WIUT, freecodecamp.org, 3wschools courses within a 6 months, and have been practicing for almost 12 months. Besides that, I have created several real world projects (websites) as a freelancer which you can find a links in my resume. You may visit my github profile and youtube channel which provided below.

Moreover, within first academic year at WIUT, I have gained and improved my soft skills from very experienced Tutors, and now I have excellent communication, problem solving, highly analytical skills, and strong knowledge of Microsoft Office Suite, and I am eager to learn new things. As an example, I received 92 mark and 89 mark out of 100 for my presentation, and SWOT analysis. I strongly believe that I can make feasible profit to your company with my soft and hard skills.

Feel free to contact me for further details via my email or phone number mentioned below. Thank you for allocating the time to read my letter. I look forward from hearing you.

Best Regards,
Shayboniy Abduvaliev
